

CHEMICAL PRODUCTS

Sealants

SIKAFLEX 221

- Polyurethane sealant suitable for glue, seal and finish different types of materials, specific to the bodywork
- Easy to apply and fast hardening, it seals even the wide gaps and allows the flexibility of joints reducing the noise
- Compatible with any type of paint
- Cartridges of 310 ml.
- Bags of 600 ml.

G 50780

Sikaflex 221 white cartridge

G 50900

Sikaflex 221 white bag

G 50790

Sikaflex 221 gray cartridge

G 50901

Sikaflex 221 gray bag

G 50800

Sikaflex 221 black cartridge

G 50902

Sikaflex 221 black bag

SIKAFLEX 212 FC

- Cheap version of Sikaflex 221, it has the same characteristics, but with a longer hardening time
- Cartridges of 310 ml.

G 50781

Sikaflex 212 FC white

G 50791

Sikaflex 212 FC gray

G 50801

Sikaflex 212 FC black

CHEMICAL PRODUCTS

Sealants

SIKAFLEX 521 UV

- Polyurethane sealant with bonding characteristics of the same Sikaflex 221
- High resistance to UV and weather
- No Primer need
- Cartridges of 310 ml.

G 50830

Sikaflex 521 UV white

G 50831

Sikaflex 521 UV black

G 50832

Sikaflex 521 UV gray

SIKALASTOMER 710

- Polyurethane sealant that maintains high elasticity after ending polymerization
- Suitable for vans, campers, caravans
- Cartridges of 310 ml.

G 50792

Sikalastomer 710 black

CHEMICAL PRODUCTS

Sealants

SIKAFLEX 552

- Polyurethane sealant especially suited for structural bonding
- Cartridges of 310 ml.

G 50834

Sikaflex 552 black

SIKAFAST 3131/3081 N

- Two-component adhesive suitable for bonding of different types of material
- Quick drying time
- High quality
- Cartridges of 490 ml.

G 50793

Sikafast 3131/3081 N

G 15905

Spout mixers for
SikaFast 3131

CHEMICAL PRODUCTS

Sealants

SIKAFLEX 255 FC

- Sealant crystals trucks 35q - Car
- No need of Primer
- 3 hours polymerization
- Cartridges of 310 ml.

G 50820

Sikaflex 255 Fc crystals sealant

SIKAFLEX 265

- Sealing crystals for heavy vehicles (trucks - bus)
- No Primer need
- Polymerization 3 hours
- Cartridges of 310 ml.

G 50821

Sikaflex 265 crystals sealant

CHEMICAL PRODUCTS

Sealants

G 15860

Cyanoacrylate adhesive transparent and liquid

- Bottle of 20 gr.
- Suitable for multiple types of material

G 15861

Cyanoacrylate adhesive transparent gel

- Tubes of 20 gr.
- Suitable for multiple types of material
- Suitable for vertical surfaces or suspended

CHEMICAL PRODUCTS

Primer - Degreaser

SIKACLEANER 205

G 50850

Degreaser activator

- Generic
- Bottle 250 ml.

SIKA-AKTIVATOR

G 50851

Degreaser activator

- For polyurethane sealants
- Bottle 250 ml.

SIKA HYBRID AKTIVATOR

G 50852

Degreaser activator

- Hybrid sealants
- Bottle 250 ml.

CHEMICAL PRODUCTS

Primer - Degreaser

SIKA REMOVER 208

G 50853

Cleaner sealant

- Suitable for cleaning the glue from any smearing of sealant
- Bottle 1000 ml.

SIKA 206 G+P

G 50854

Primer bonding

- Allows the sealant to better cling to the surface to seal
- Bottle 250 ml.

SIKA 215

G 50855

Primer bonding

- Allows the sealant to better cling to the surface to seal
- Suitable for wood and plastic
- Bottle 250 ml.

CHEMICAL PRODUCTS

Accessories for applications

G 15790

Felt pad for Primer application

G 15900

Aluminium cap-gun
for cartridges of 310 ml.

G 15901

Sealant application gun
for Sikafast 3131

G 15902

Pneumatic caulking gun
for sealing bags of 600 ml.
